Dear Adwowa:

EDS has completed its investigation into your allegation of inappropriate behavior by a co-worker. Your allegation was substantiated. As you are aware, it is not appropriate for me to discuss what action has or has not been taken concerning other employees, just as it would be inappropriate for me to discuss issues relating to your employment with other employees who do not have a need to know such information. Nevertheless, I want to assure you the matter has been appropriately addressed. However, if you should become aware of any such inappropriate conduct reoccurring, please notify me immediately so that EDS can take appropriate action.

Thank you for having brought this matter to our attention. If you have any further questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Erik Flint".
